*OIF organises actions which respect cultural and linguistic diversity and serve to promote the French language, peace and sustainable development.*

They will jointly present the “*Equation Musique* program: produce, broadcast and export South countries’ music”.

### Felin – National Federation of Indies Labels

Collective action is now an emergency!

It is necessary to explain the part of hundreds of small businesses which work in music production and to guarantee a fair representation of their activity in the music business.

The first members of Felin, National Federation of Indie Labels, created in September 2009, are inviting the small labels to join them.

Come and see the Felin for a strategic meeting at the Elysée Montmartre.
